

technocratic *(tech-nocr-atic)*

Syllables count: 3

Definition

a system of government where experts make decisions based on technical knowledge

Example Sentence

Technocratic governance can achieve efficiency that democratic processes sometimes struggle to provide, but it may also create a lack of trust that efficiency alone cannot fix.

More Example Sentences

In a **technocratic** school, decisions about learning are often made by experts in education rather than by students or parents.

Synonyms

expert-driven, technical

Antonyms

democratic
